Foreign investment in Science and Technology Projects

†2221. SHRI RAM JETHMALANI:
SHRI LAJPAT RAI:

Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether Government have given its consent for foreign investments in the projects falling under Science & Technology sector during recent years;

(b) if so, the number of proposals of foreign investment approved by Government from 1991 to March, 2003;

(c) the number of proposals for which actual foreign investment has been made; and

(d) the amount invested in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF SCIENCE AND TECHNOLOGY IN THE MINISTRY OF SCIENCE AND TECHNOLOGY (SHRI BACHI SINGH RAWAT): (a) to (d) There is no foreign direct investments (FDI) data maintained separately under the Science & Technology sector. A total of 23,553 financial or technical collaboration approvals involving FDI have been given during 1991 to March 2003 out of which 7293 are technical collaborations in 42 different sectors. The technical collaboration projects essentially cover technology transfers. Actual in-flow of FDI in the form of financial or technical collaboration is Rs. 133529.85 Crores.
